

## Amazing Pace –Fitbit Connection

The following instructions are for installing your Fitbit device for participants who already have an existing Amazing Pace/Walkingspree account. If you need to create a new Amazing Pace account please email [support@Lifebux.com](mailto:support@Lifebux.com) for activation directions.

If you already have a Fitbit account and have downloaded the Fitbit software then skip to #2.

### 1. Create a Fitbit account and download the Fitbit software

Download the Fitbit software and follow the on screen directions to create your new Fitbit account:  
<http://www.fitbit.com/setup>

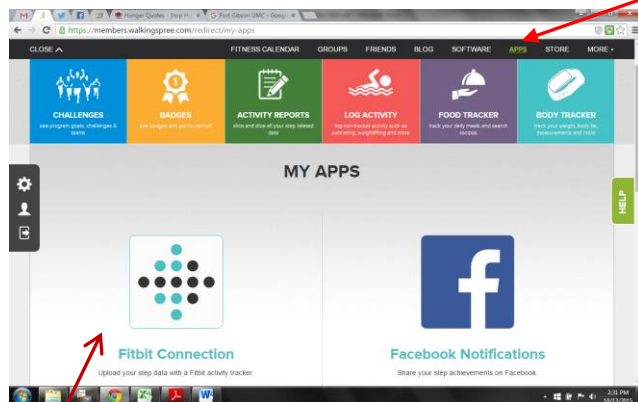

Choose the Fitbit software that matches your Fitbit device model and follow the instructions.

NOW, CONNECT YOUR FITBIT TO YOUR AMAZING PACE/WALKINGSPREE step account:

### 2. Connect Fitbit to your Amazing Pace/Walkingspree step account

After logging into your Amazing Pace account click on “Apps” located on the navigation bar on your Amazing Pace/Walkingspree “Dashboard” page.

**Do you need to reset your Amazing Pace/Walkingspree password?**

Go here:

<https://members.walkingspree.com/user/password>

and enter your email address and click “E-mail new password”. A link will be sent to your email address that will allow you to update your Amazing Pace account.

**Now click and “Install” the Fitbit Connection. Follow the on screen directions. Your Fitbit activity tracker is now connected to your Amazing Pace/Walkingspree account!**
